For: Method for Stable Gene-Amplification in a Bacterial Host Cell

**REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on April 12, 2006 as a national phase application of PCT/DK2004/000750. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of U.S. provisional application no. 60/518,916 filed on November 10, 2003.

The filing receipt mailed March 9, 2007 omits the U.S. provisional application in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: July 15, 2008
